Invest in the future.
Redirect Your Tax Dollars.

What if you could give in a meaningful way and truly make a difference in a child's life without any cost?

Wouldn't you do it?

In the state of Arizona you can! If you're an Arizona taxpayer, the Private School Tuition Tax Credit Program allows you to turn your state taxes into tuition scholarships for eligible children in grades K-12 attending qualified private schools in Arizona.

How it works

1. Decide how much you will donate.

You can contribute the maximum set by the state or your tax liability, whichever is less, and receive a **dollar-for-dollar** tax credit against your Arizona Income Taxes. For the **2026 tax year**, the maximums are **$3,131** for those filing married jointly and **$1,571** for a single taxpayer.

2. Decide if you would like to recommend a student or a school.

APSTO and state law allows you to recommend a particular student or school benefit from your donation. To recommend a student or school, simply fill out that portion of the donor form as desired.

3. Make your donation through APSTO.

You can donate by mail, go to our secure website at **APSTO.org**, or give us a call at **480-256-1001**.

4. Claim your tax credit.

Take your **dollar-for-dollar** credit on your Arizona state taxes.
